

# **RESUMPTION OF 2.6 GHz FREQUENCY SPECTRUM AUCTION**

## **Publication of Information Memorandum**

The Nigerian Communications Commission, NCC, on behalf of the Federal Government of Nigeria, hereby inform parties interested in participating in the Auction of Frequency Spectrum Licenses in the 2.6 GHz band that the process has resumed.

The Information Memorandum, (IM) giving details of the requirements, revised Timetable, and the Auction Process, has been published on the Commission's Website.

Interested applicants are advised to download the document from the website, and be guided accordingly

Signed:

**Dr. Eugene Juwah**

*Executive Vice Chairman/CEO*
