

Nigerian Communications Commission

Nigeria @ ITU TELECOM WORLD 2012 DUBAI

Invitation To Participate

The Honourable Minister of Communications and Technology and the Executive Vice Chairman of the Nigerian Communications Commission, NCC, invite Private and Public Sector organizations to be part of the ITU Telecom World 2012 holding in Dubai, United Arab Emirates from October 14-18, 2012.

Participation in Exhibition and Forum

ITU Telecom World 2012 is a gathering of global ICT leaders, regulators, manufacturers, vendors, operators, experts, ICT institutions where they will discuss, network and map out strategies for the future growth of the industry.

ITU World 2012 offers invaluable opportunities for companies and organizations to showcase their products and services, expertise, innovations and ideas to a global ICT audience.

Nigeria has secured a pavilion at ITU World 2012, Dubai, which will provide ample space for companies and organizations to exhibit their products and services.

Highlight Of Events

- Exhibition at the Nigerian Pavilion ● Leadership Programme
- The Nigeria Broadband Investment Forum ● Nigeria Day
- The ITU Telecom World Forum ● National Spotlight Sessions
- Networking opportunities ● Technical Symposium
- Digital Cities Conference ● Youth Forum

Tell Your ICT Success Story

The Telecom revolution in Nigeria in the last 10 years has transformed lives in all segments of the society. We use this opportunity to invite the public to relate their experiences on how the industry has impacted on their lives in any of the following; Business, Health, Education or Personal life experiences. The story should not be more than 1,500 words and should be submitted not later than **August 15, 2012**. Selected stories would be included in Nigeria's publications for ITU Telecom World 2012.

Great Innovators

Research and Tertiary Institutions, Public and Private individuals with innovations in ICT that are of significant impact to the industry are advised to submit an excerpt of not more than 2,000 words before August 3, 2012. The Nigerian Communications Commission reserves the prerogative in selecting the project it considers the best innovation(s) for consideration at the Forum.

Expected Participants

- Government Agencies
- ICT Consultants/ Experts
- Software Developers
- Institutions
- ICT Professionals and Businesses

Sponsorship / Branding Opportunities

For enhanced corporate visibility and market positioning, take advantage of the various sponsorship and branding packages such as the Nigeria Day and Special National Spotlight Session at ITU World 2012. The Nigerian Pavilion will showcase the best of Nigeria ICT industry at this global forum.

Companies and organizations are invited to take advantage of the limited spaces available for exhibition in the pavilion. Applications will be treated on a first come first serve basis as spaces are limited. Deadline for indication of interest is **September 7, 2012**.
