

## DISCLAIMER: False Advertisements On Recruitment

The attention of the Nigerian Communications Commission has been drawn to a publication on a website known as [joblistnigeria.com](http://joblistnigeria.com) inviting applications from qualified persons to fill in positions in the following fields.

- Economists
- Accountants
- Lawyers
- Project Managers

The Commission wholly disassociates itself from this publication. The publishers are unknown, and are not consultants to the Commission, and have no authority of the Commission to publish such information.

For the avoidance of doubt, our recruitments are usually advertised on the Commission's website and in the national dailies. Members of the public and prospective job applicants are advised to ignore the publication and its content. Anyone who acts on the advice of the content of this publication does so at his own risk.

Any person(s) who patronize this website and their publication does so at their own risk. The Nigerian Communications Commission shall not take any responsibility for persons who fall prey to this scam.

Please, be warned!
