

## **GOODWILL MESSAGE BY THE EXECUTIVE-VICE CHAIRMAN OF THE NIGERIAN COMMUNICATIONS COMMISSION, AT THE 35<sup>TH</sup> YEARS ANNIVERSARY CELEBRATION OF THE CORPORATE AFFAIRS COMMISSION**

**DATE: MONDAY, FEBRUARY 9 2026**

**VENUE: ABUJA CONTINENTAL HOTEL**

Protocols,

It is with immense pleasure that I extend, on behalf of the Nigerian Communications Commission (NCC), our warmest congratulations to the Corporate Affairs Commission (CAC) on this momentous occasion of your 35th anniversary.

Over the past 35 years, the CAC has exemplified an unwavering commitment to transparency, efficiency, and integrity in corporate governance. These foundational pillars have strengthened Nigeria's business environment, driven sustainable economic growth, attracted both domestic and foreign investment, and enhanced the nation's global competitiveness.

Since commencing operations in 1991, the CAC has evolved from a primarily paper-based registry into a world-class, fully digital institution. This remarkable journey—from manual processes to seamless online portals—has significantly simplified business registration and post-incorporation filings. These advancements have contributed immensely to Nigeria's improved rankings in ease-of-doing-business indices and fostered a more vibrant, entrepreneurial ecosystem.

The achievements of the CAC stand as a testament to visionary leadership, dedicated staff, and a relentless pursuit of excellence in public service, while inspiring other regulatory agencies and reinforcing our shared national goal of building a trusted, competitive, and innovation-driven economy.

As we celebrate this milestone, I am particularly encouraged by the ongoing constructive dialogues between our two institutions. These discussions are aimed at

deepening collaboration and coordination to ensure more effective oversight of changes in shareholding structures among telecommunications licensees. For us, this synergy is vital for promoting compliance, transparency, investor protection, and sustained public trust in the telecommunications sector, which is a cornerstone of Nigeria's digital economy and the country's broader development.

On behalf of the Nigerian Communications Commission, I wish the Corporate Affairs Commission continued success, and many more decades of impactful service to our nation.

Thank you, and may God bless the Federal Republic of Nigeria.

**Dr. Aminu Maida**  
**Executive Vice-Chairman/CEO**
